

J24 Alphanumeric Pager

Key features:

- 2 line, 36 character alphanumeric display
- Large font display
- 6 cap codes
- Synthesized frequency
- Program via pager buttons, software or over the air
- Beep, vibrate or vibrate and beep options
- Up to 700 hours battery life

The J24 alphanumeric pager boasts a large screen with a 2 line, 36 character alphanumeric display. Its battery life is up to 700 hours and it weighs just 50g, making it easy to use and carry. For silent operation you are able to adapt the pager to a vibrate only function.

Maxpage Terminal

Key features:

- Numeric keypad
- 4 dual mode, user-defined function keys
- Inbuilt paging transmitter
- 999 pager, 20 group capacity
- Voice prompted PBX interface
- 4 on-board alarm inputs
- Windows® interface
- PS2 QWERTY keyboard
- Dimensions 226(L) x 160(W) x 70(H) mm

The Maxpage terminal can send independent messages direct to individual pagers. It can be linked to up to 999 pagers and, combined with the J24 alphanumeric pager, can form the basis of a stand alone paging system as well as being part of your radio nurse call system.
