

Job title: Project Engineer

Location: South East England

Business Unit: [Legrand | Care](#)

We are looking for a self-driven and highly motivated *Projects Engineer* to join our Projects Team covering predominantly South East England.

As a *Projects Engineer*, you will be managing all Legrand Care installations within the South East region, including to system commission and handover stage.

Responsibilities: Accountable for project life cycle from post-sales through to implementation and project handover. They will have the capacity to multitask effectively with specific responsibility for overseeing successful project delivery and achieving customer objectives regarding scope, quality, timescales and budget.

- Engage with sub-contractors to ensure success in project delivery
- Conduct Pre-Start Meetings onsite with all relevant parties
- Monitor project progress and highlight variance against project baseline
- Ensure all systems are fully installed
- Ensure equipment is fully commissioned and
- Plan and forecast effectively
- Undertake site inspections
- Expand on the current sub-contractor portfolio ensuring contractors are suitably qualified and trained

What's required?

Essential

- Excellent communication (verbal and written), organisational, influencing, team-player and customer facing skills
- Experience of supervising installations
- Full valid driving license and a willingness to travel to site and work out of hours / weekends as and when needed.
- Tech savvy – ability to learn the functionality of new products in a short period
- Critical thinking and capable of working under pressure

Desirable

- Product/industry knowledge in the areas of [Warden Call](#), [Nurse Call](#), [At Home Alarms](#), [Telecare](#), Telehealth and [Door Access Control systems](#)
- Electrical Installation knowledge

T&Cs

- Work schedule: Monday to Friday, 09:00Hrs – 17:00Hrs
* You may need to adjust your working hours (start and finish time) depending on the project and location
- Permanent (6 months' probation)
- Equipment provided: mobile phone, laptop, van, hotel cards, fuel cards
- Pension: choice of 4.5% or 5%
- Holidays: 25 days + Public Bank Holidays + Holiday Purchase (up to 3 days/year)
- Any other Legrand UK benefits
